

To all Parents/Carers

8th September 2022

Dear Parent/Carer,

Extra-curricular Clubs

Welcome back to a new school year.

At Saint Cecilia's, we run a large number of extra-curricular clubs for the benefit of all pupils. These clubs take place before, during and after the school day. Our clubs are run or supervised by staff members, and are all offered free of charge.

Please find this term's list of the extra-curricular clubs with this letter. You can also find the list here on our school website where it is kept up to date: <https://www.saintcecilias.london/extracurricular-clubs>

We would love all pupils and students at Saint Cecilia's to be part of at least one club, if not more. Our clubs provide pupils with opportunities beyond the curriculum and are a chance to make long-lasting friendships with pupils and students in other year groups.

If your child has an idea for a club that is not currently offered, they should speak to a member of staff to see if the club can be set up.

To help pupils and students know what clubs are on offer and what each club involves, we will be holding the Extra-Curricular Fair on Friday 9th September, from 3.15pm in the Refectory. Pupils will be able to move around the various stalls, to find out more about the clubs. This event is primarily aimed at our Year 7 pupils, new Year 12 students and any other pupils who have recently joined the school, however it is open to all pupils/students.

To sign up for a club, your child can either put their name down on the list at the Fair on Friday, or simply turn up to the club.

The majority of clubs will start the week commencing 12th September.

Yours sincerely,

James Robinson
Assistant Headteacher
