

To Parents/Carers of pupils and students in Years 10,11,12 or 13 taught by Mr Iannarelli

5th October 2022

Dear Parent/Carer,

Geography Classes

As you are aware, the unexpected and tragic death of Mr Iannarelli has left many pupils and students without their Geography teacher.

I am writing to inform you that we have been able to successfully adjust the teaching timetables of the other members of the department to cover Mr Iannarelli's examination classes.

All pupils and students who are studying towards GCSE and A Level examinations in Geography will have a subject specialist in place to support them across the rest of the academic year.

This process has already begun and will be fully in place from Monday 10th October. We would like to thank the pupils and students in the classes that have been affected for their understanding and perseverance during what has been a very difficult time.

Should you have any follow up questions, please contact me by email agillespie@saintcecilias.london. For any Geography specific questions, please contact Ms Osborn (Curriculum Team Leader for Geography) josborn@saintcecilias.london.

Yours sincerely,

Andy Gillespie
Assistant Headteacher
