

To Parents/Carers

5th July 2023

Dear Parent/Carer,

Special Rewards Day for Pupils

To celebrate the excellent behaviour and focus by pupils demonstrated throughout the year and clearly shown during the recent week, we would like to hold a non-uniform day on Thursday 13th July. All pupils are invited to wear clothes of their own choice (as long as they are appropriate for a school rewards event). In addition, the school will fund food for all pupils during their 40-minute break (although pupils are welcome to bring a packed lunch if they prefer).

May I thank all pupils again for showing the best of our values and ethos, especially with regard to being an upstander and challenging bullying.

As a reminder, 13th July will be the last day of the week for pupils as the 14th July is a training day for staff. Pupils and students return to school on Monday 17th July for their enrichment trips.

Yours sincerely,

Jonathan Miller
Assistant Headteacher
