

To Parents/Carers of all Year 11 Pupils

1st November 2023

Dear Parent/Carer,

UCAS Information Evening - Monday 6th November

As part of the Post-16 options process, we are leading several sessions to provide additional support and guidance to pupils and parents/carers.

On average, 86% of our Sixth Form students choose to go to university after Sixth Form. This is a major focus at this time, as A-Level choices may determine the courses and institutions that pupils are able to apply to in Year 13.

So far, the Year 11's have had the following sessions:

Friday 29 th September	Introduction to the Sixth Form assembly
Friday 13 th September	Introduction to university applications assembly
16 th -20 th and 30 th October	A practical introduction to the UCAS process. Delivered to Year 11 pupils in the Sixth Form Study room.

I am sure you are taking a keen interest in this process, offering support, guidance and advice to your children. To facilitate this, you are warmly invited to attend the Introduction to UCAS evening on **Monday 6th November, 6-7pm**. This event is for parents/carers only, so pupils should not attend. During the session we will look at subject choices, university admissions and have a practical session in the ICT suite. The talk will start at 6pm and last for one hour. There will be a chance to ask questions afterwards.

Just as a polite reminder, the deadline for completing the online applications for Sixth Form is **Friday 24th November**. It is essential that this deadline is met to secure a consultation meeting.

Yours sincerely,

Joanne Osborn
Key Stage 5 Year Leader and Curriculum Team Leader for Geography
