Add new application button

The screenshot displays a user interface for Saint Cecilia's Church of England School. A modal window titled "Start New Application" is centered on the screen. It contains the following elements:

- Title:** Start New Application (with a close button 'x')
- Entry point:** A dropdown menu with an open list showing:
 - Foundation and Music Application Form ()
 - Sixth Form Application 2024/25 ()
- Child's last name *:** A text input field.
- Your relationship with child:** A dropdown menu.
- Does the child live with you?:** A dropdown menu.
- Start Form:** A red button at the bottom.

The background interface includes a sidebar with "HOME", "MESSAGES" (31), and "CALENDAR". The main content area shows a greeting for "Mrs Van Der Meer" and a profile for "Alastair Van Der Meer" with student code "U-770B". A "School Message" section contains a thank-you note and a photo of a woman. An "Upcoming Events" section shows "No event".

Qualification related questions

Please indicate if you are interested in the Harlequins Rugby Academy*

Yes No

Please indicate if you are interested in our Netball Academy*

Yes No

Would you like to take the Extended Project Qualification (EPQ)?*

The EPQ provides you with the skills required for any university degree course, ensuring that you thrive as an undergraduate. Many universities use the EPQ to provide a lower entry tariff for their most competitive courses, or use it as a factor when deciding whether to make you an offer. This course starts in the Summer Term of Year 12.

Yes No

Additional Information*

Please indicate if you preferred subject choices clash. In some instances we may be able to review these blocks subject to timetabling and staff resources. We will discuss this with you at your consultation meeting.

Deadlines

All applicants deadline: Friday 24th November

Saint Cecilia's
Church of England School

Saint Cecilia's Church of England School
www.saintcecilias.london

Consultation Meetings

Saturday 13th January 2024

Or

Saturday 20th January 2024

UCAS

Two key ideas:

1. GCSE's count
2. A Level subject choices can determine future degree choices.

Timeline

October 2023	6 th Form Open Evening
November 24 th 2023	Application deadline
January 2024	Consultation Meetings

Informed Choices

Choosing the right subjects to study post-16 is very important in helping you to get into university, particularly a Russell Group university.

If you don't know what degree subject you want to study, it's important to choose A Levels (or equivalent qualifications) that keep as many options open to you.

Whatever your situation, Informed Choices can give you the start you need in deciding what to do next.

UCAS: www.ucas.com

The image shows a screenshot of the UCAS website homepage. At the top left is the UCAS logo. The top navigation bar includes links for 'Discover', 'Undergraduate', 'Postgraduate', 'Apprenticeships', 'Careers', a search icon, and 'Sign in' with a user profile icon. The main content area features a blurred background image of a group of people. In the center, the text 'CHOOSE YOUR FUTURE' is displayed in large white letters. Below this, there is a horizontal menu with links: 'All results', 'Courses', 'Uni & colleges', 'Apprenticeships', 'Advice', 'Events', and 'Accommodation'. At the bottom of this menu is a search bar with a magnifying glass icon and the text 'Search for courses, uni & colleges and information'.

EU	£29700	Year 1
International	£29700	Year 1

Physiotherapy

Entry requirements

Qualification requirements

▶ UCAS Tariff - Not accepted

▼ A level - AAB

A level Biology/Human Biology or PE at grade A. Minimum of seven GCSEs to include: English Language and Mathematics (or one, but not both, of Methods in Mathematics and Applications of Mathematics) at grade 6/B or higher and Biology and Chemistry or dual award science at grade 6/B or higher. The remainder of the GCSEs should be at grade 5/C or higher. Specified subjects excluded for entry: We do not accept Applied Science, Citizenship Studies, Communication and Culture, Critical Studies, Critical Thinking, General Studies, Global Perspectives, Moving Image Arts, Science in Society, Use of Maths and World Development.

▼ Pearson BTEC Level 3 National Extended Diploma (first teaching from September 2016) - D*D*D*

BTEC Extended Diploma accepted in Sport & Exercise Science, Health Science, Health & Social Care and Applied Science. Grades required - D*D*D* with distinctions in all units. BTEC Extended Diplomas in other subjects will require an additional A level in Biology or PE at grade A.

▼ A level - AAA

Our standard A-level offer is AAA including: - Chemistry or Biology/Human Biology; and - One of the following subjects from Chemistry; Biology/Human Biology; Physics; Psychology; Mathematics or Further Mathematics. A combination of three sciences is equally acceptable at A-level. However, our offer will not include combinations of very similar subjects, for example, Biology and Human Biology or Maths and Further Maths together. Where the science A-Level syllabus is available with a practical element this also must be offered and passed. If you have been invited to interview via our holistic assessment route and you are studying additional qualifications (over and above the standard offer) which have compensated for a lower UCAT score, we may include these qualifications as part of our offer and expect that the additional qualifications are completed. We will only include subjects that you were studying at the point of application.

▶ Pearson BTEC Level 3 National Extended Diploma (first teaching from September 2016) - Not accepted

The image shows a digital course card for Medicine at the University of Manchester. At the top, there is a photograph of a woman with a backpack standing in front of a university building. A small white heart icon is in the top right corner of the photo. Below the photo is the University of Manchester logo, which includes the text 'MANCHESTER 1824' and 'The University of Manchester'. The course title 'Medicine' is prominently displayed, followed by 'University of Manchester' and 'Main Site'. Below this, there are four icons with corresponding text: a gear icon for 'MB ChB', a clock icon for '5 years', a book icon for 'Full-time', and a calendar icon for '16/09/2024'. A large orange circle contains the number '144', with 'UCAS Tariff Points' written below it. At the bottom, there is a blue button labeled 'Related courses' with a white arrow pointing right.

▼ A level - AAA - A*AB

Typical Offer AAA or A*AB in three A levels. Contextual Offer: AAB in three A levels. A level alternative offer: AAB in three A level subjects plus additional study - please see the course pages on our website.

▼ Pearson BTEC Level 3 National Extended Diploma (first teaching from September 2016) - DDD

Typical offer DDD in the BTEC Level 3 National Extended Diploma (RQF). We are able to consider the above qualifications in Business. You should be studying units that provide preparation for both numerical and essay-based study. We may be able to consider BTEC qualifications in other subject areas if they provide the same balance of numerical and essay-based study and you are able to demonstrate your aptitude for Business in other ways: please contact us to discuss your profile. Suitable applicants progressing via this route will be invited to interview as part the admissions process.

GCSE requirements:

-GCSE Mathematics grade 6 or B

-GCSE English Language or Literature grade 6 or B (or equivalent from English language category A).

GCSE grades are an important part of selection for this course and we typically expect students to have a majority of GCSEs at grade 7 or A.
