

**To Parents/Carers**

19<sup>th</sup> June 2023

Dear «Parental\_Salutation»,

**Weather Conditions**

Due to the current weather forecast for the week ahead, once again, pupils do not need to wear their blazers whilst travelling to and from school and whilst in school. Pupils must ensure that they wear their ties and tuck their shirts in. Pupils should not wear their jumpers this week unless they choose to wear them under their blazer.

Students are allowed to wear shorts for this week. Shorts should be of reasonable length and suitable for an education environment. Flip flops/sliders and crop tops are still not permitted.

Next Monday will be a return to the normal dress code unless they are told otherwise.

Yours sincerely,

**Jonathan Miller**  
**Assistant Headteacher**
