

**To Parents/Carers of pupils in Year 10**

12<sup>th</sup> May 2023

Dear Parent/Carer,

**Revision Guides**

In preparation for the upcoming end of year assessments, departments have suggested the revision guides on the attachment, specific to the courses studied at Saint Cecilia's. These resources will help your child to start their revision, split revision into more manageable chunks and become familiar with exam style questions. These are available to purchase online or via high street book shops.

I am aware that there is a cost for these. If you are unable to afford these for your child, please contact your child's mentor so that we can look at how best to support you and your child in accessing these resources.

For your information, the end of year assessments will be taking place in lessons from 19<sup>th</sup> to 30<sup>th</sup> June 2023.

If you have any questions, please contact your child's mentor.

Yours sincerely,

**Alexander Bishop**
