

**To Parents/Carers of pupils in Year 11**

7<sup>th</sup> October 2022

Dear Parent/Carer,

**Year 11**

Please find attached the following documents:

1. Year 11 December mocks timetable
2. A topic list which shows what the pupils should be revising for their mocks
3. A brief description of the pomodoro revision technique

Please note that there will be more detail shared about the Art exam that will take place, and the timings of the speaking tests for French and Spanish.

A good starting point is to go through the topic list with your child so they can identify what they need to focus their revision on. The pomodoro technique is a very useful way of completing short and effective revision, and I would suggest that any revision plans are set out so that no longer than 40 minutes of revision is carried out in any one session. They can, of course do more than one session per day!

I will be aiming to send out a revision technique/tip every week in the school newsletter, and I encourage you to look at these with your child so that the extra hours of work they are completing are having as much effect as possible.

Please do get in touch if you have any questions relating to the mock exams or revision.

Yours sincerely,

**James Owen**  
**Deputy Headteacher**
