

**To Parents/Carers**

3<sup>rd</sup> February 2023

Dear Parent/Carer,

**Year 11 GCSE Geography**

I am writing to you to introduce an online resource site that all Year 11 GCSE Geography pupils can access.

The link to the site is:

<https://saintceccilias.sharepoint.com/sites/GeographyGCSEwithMrMiller>

The site has a number of helpful revision resources including Knowledge Organisers, topic revision workbooks and some textbook scans. The site can be accessed when your child logs into Office 365 with their school-based email account (their usual school log-in).

The site also includes links to revision sites such as the official Edexcel website for our Geography GCSE Specification A:

(<https://qualifications.pearson.com/en/qualifications/edexcel-gcses/geography-a-2016.coursematerials.html#%2FfilterQuery=Pearson-UK:Category%2FExam-materials>).

I would be grateful if you could encourage your child to revise a whole geography topic and complete practice questions from past papers. The mark schemes can be used to mark the work and Examiner Reports can be checked for best practice examples of answers from pupils around the country. There are several past papers that pupils can use on this site – practice questions are an excellent way to improve exam technique.

There are also some great physical geography videos on the following website that will help with revision. The site is: <https://timeforgeography.co.uk/>.

The BBC also have a specific area for our syllabus: <https://www.bbc.co.uk/bitesize/examspecs/zsytxsg>.

I hope you find these resources useful.

Yours sincerely,

**Jonathan Miller**  
**Assistant Headteacher**
