

To Parents/Carers of Year 11 Pupils

1st March 2023

Dear Parent/Carer,

Year 11

We expect all year 11 pupils to be in school tomorrow (2nd March) from 8.50am. They will remain in school until the end of period 3 (12.10pm).

After this time only pupils whose teachers are in school to teach their lessons will remain in school other than those children with an EHCP or Social Worker whose parents/carers have informed the school that they will be staying.

We will send out a text in the morning to the families of children who will be staying in school beyond 12.10pm.

If a child's teacher is not available to teach their lesson then pupils will be in classrooms revising.

In order to support this we will be providing copies of the 'How to revise' resources that have been published weekly, plus A3 and A4 plain paper and highlighters.

Please can you make sure that your child brings in anything else they may need to help their revision. This should include any subject information that they need to help them.

If you have any questions, then please do contact me at jowen@saintcecilias.london

Yours sincerely,

James Owen
Deputy Headteacher
