

To Parents/Carers of Year 9 Pupils

5th March 2024

Dear Parents/Carers,

Year 9 Preferences

Thank you to all pupils and parents who have already completed their initial preferences via the SIMS Student app.

A reminder that yesterday, Monday 4th March, was the deadline for these to be submitted. If your child is having a problem submitting their initial preferences, please ask them to speak to me at school.

To support you and your child in finalising their subject preferences, all pupils and parents are provided with a consultation appointment with a member of the Leadership Team, Year Leader, Careers Advisor or SENCo.

During this meeting, we will discuss current attainment, future aspirations and the pupil's provisional choices, to ensure the pupil has made the right choice for them. If parents are unable to make the assigned date, the member of staff will meet with the pupil during school time.

The discussions will take place at school on Thursday 18th April, from 5pm-8pm. Please use the [School Cloud Parents' Evening system](#) to book a time slot with your allocated member of staff. If there is an issue with this date, please contact the school via info@saintcecilias.london.

Pupils will be required to wear full school uniform to their consultation appointment.
Yours sincerely,

James Robinson
Assistant Headteacher
