

To Parents/Carers of pupils in Year 9

4th November 2022

Dear Parent/Carer,

Year 9 Printing Workshop at the National Gallery:
Monday 21st November 2022

The Art and Design department are delighted to be able to offer 25 Year 9 pupils the opportunity to attend a Printing Pre-Digital Workshop at the National Gallery. The workshop is a chance for your child to work with art educators at the gallery and, under their guidance, experiment with a range of printing techniques. They will take inspiration from the gallery collection and create their own prints using an etching press. The trip is wonderful chance for children to learn more about how to develop ideas, as well as to learn a new art process.

The workshop and travel will be free.

There are only 25 spaces for this workshop. Due to limited spaces, the trip will be offered on a first come/first served basis. In previous years, places have been taken very quickly, so we advise that you give permission on ParentPay as soon as possible if your child is interested.
